
TECHNICAL MEETING REVIEW 57

Design of Structures Against Hydrocarbon Fires

TITLE OF PRESENTATION	SPEAKER	COMPANY
Guidance on Heat Loading from Jet and Pool Fires	Geoff Chamberlain	Visiting Professor at Loughborough University
Probabilistic Fire Load and Structural Response Procedure	Asmund Huser	DNV
Eurocode Approach to Structural Fire Design	Nancy Baddoo	SCI
Acceptance Criteria for Damaged Passive Fire Protection Coatings	Simon Thurlbeck	MMI Engineering
BP – LNG Fire Hazard Management Workshops	Kevin Westwood	BP
Mitigation of Fire on Storage Tanks using Water Deluge	Jake Kay	HSL
